Continental Whippet Alliance

NOTICE

INELIGIBILITY OF CERTAIN DOGS AND INDIVIDUALS

The Continental Whippet Alliance (CWA) Constitution, Article IV, Section 1, makes any dogs or owners barred by the AKC, CKC, or any other National Kennel Club or any National Purebred Whippet Racing Association ineligible for participation in CWA events. This ban is applicable to a four-generation pedigree. Any dog which is banned under the rule above, appearing in said four-generation pedigree will render a dog ineligible for CWA competition.

In addition, the applicant must have a minimum of one Bench Champion (American Kennel Club, Canadian Kennel Club, or the equivalent competitive Bench Champion title of a foreign country) or one Dual Purpose Champion (DPC) on each side of the 4-generation pedigree. At least one champion on one side of the pedigree **MUST** be no further back than the third generation (the bench champion can appear in the fourth generation on the other side). This requirement will apply to all litters born after April 1, 2015. Please note that these requirements will change for dogs born after August 1, 2022.

Below is a list of dogs and persons who have been barred by other national clubs. If the dog you are registering was purchased or obtained from one of the individuals named on this list, or if any of the dogs listed appear in the pedigree of your dog within four generations, your dog is not eligible to compete in CWA events and the registration application will be refused.

If your dog is deemed ineligible because of the rule named above, you have the right to appeal the ruling. The appeal should be directed to the CWA Registration Committee and sent to the CWA Registrar. Please note that the Continental Whippet Alliance is not in a position to judge the merits, details, or circumstances of a particular bar by another national organization. All bars by other national organizations will be enforced.

If you are in doubt as to whether your dog is eligible for CWA events, you may request an opinion on eligibility from the CWA Registrar. Any request for an eligibility opinion should be made at least one month before the deadline for the CWA competition you wish to enter.

INELIGIBILITY LIST

The dogs and persons named below are ineligible to compete in CWA events (ban is applicable to four generation pedigree):

- North American Whippet Racing Association (NAWRA) ban of Mr. C. A. Lewis and Lyth Kennel (5/5/90, USA). On 10/1/97 NAWRA lifted the ban; on 11/26/97 the CWA Registration Committee voted to uphold the lifetime ban.

All dogs bred in whole or in part by Mr. Pulley, or sired by a dog owned in whole or in part by Mr. Pulley, and **born after May 11, 2018** are barred from CWA eligibility in the required 4-generation pedigree for CWA Registration. (July, 2019) For Sparta Whippets born **before May 11, 2018**:
 - No CWA Registrations will be issued to any Sparta Whippets unless they have an AKC DNA profile. DNA profiles of the said offspring can be taken at CWA expense.
