Please complete the following three questions (to be shared with Rules Committee – a.k.a. CWA Board of Directors):

1. Identify the specific Chapter and Paragraph of the *CWA Rules for Events* you propose amending.

Chapter II. Eligibility General Definitions

2. State in exact words what your proposed revision, deletion or addition is and where it would fit into existing wording.

Current wording:

Chapter II. Eligibility General Definitions

2. For the purposes of this section, the term “open straight racing champions” is defined as “a championship from any organization, in any country where racing is offered, which fails to inspect for all disqualifying faults as defined in the AKC Standard of the Whippet.” Domestic organizations which fall under this rule include, but are not necessarily limited to, Whippet Racing Association (WRA), North American Whippet Racing Association (NAWRA), and Canadian American Racing Association (CARA).

Proposed wording.

Strike out is deleted, underlined is added.

Chapter II. Eligibility General Definitions

1. For the purposes of this section, the term “open straight racing champions” is defined as “a championship from any organization, in any country where racing is offered, which fails to inspect for all disqualifying faults as defined in the AKC Standard of the Whippet.” Domestic organizations and titles which fall under this rule include, ~~but are not necessarily limited to,~~ Whippet Racing Association (WRA) WRCH and WRCHX, North American Whippet Racing Association (NAWRA) RCH and SRCH, and Canadian American Racing Association (CARA) RChS and RChX.

3. State the justification or rationale for this proposed change (i.e. how it will improve or enhance the existing rule).

We discussed this at length earlier in the year and defined and passed a motion of the titles that were included in this rule. I am just putting this rule change proposal in to formally document that motion in the rules.
