

NCWFA Covid-19 Safety Guidelines:

1. Please do not attend the event if you have a fever or symptoms of Covid-19, or have been exposed to anyone with fever or symptoms in the last 14 days.
2. You must maintain social distancing (6ft) except with members of your household. Please bring hand sanitizer and use it frequently. We will provide some hand sanitizer at the board, but also please bring your own as well.
3. You must bring and wear a mask anytime you may be within 6 feet of someone not from your household.

To maximize safety:

Wear a mask during inspection and show the inspector your dog's bite. You will be asked to wipe your bitches to demonstrate your bitch is not in season.

Please wait until the draw is complete before coming up to look at the board. Please remain 6 feet away from others and take a quick photo with your phone so that the next person can look at the board.

You must wear a mask while boxing/loading a dog. Stay 6 feet apart behind the boxes and wait your turn to load the dog. Dogs will be loaded in numbered order, one at a time. Please exit the area after you have loaded a dog so that the next person can load their dog.

You must wear a mask while catching a dog. Once you catch your dog, please move away from the scrum as quickly as possible to limit distance.

Please do not stand under the canopies with the judges. Judges need room to maintain 6 feet of distance between them so there will be no extra room for competitors. A video camera will act as a second or third judge at the line to aid with distancing.

Handlers should allow 6 feet between dogs during the fun match. Judges and handlers will be masked. Hand sanitizer will be used by the judge between touching dogs.

Please maintain 6 feet of space during awards. Prizes will be placed on a table where competitors may pick them up.

I have read the above safety guidelines and I agree to follow them. I understand that if I fail to follow the guidelines I may be asked to leave the event and I will forfeit my entry fees.
