

Award of Racing Excellence (ARX)

This award recognizes those Whippets that have demonstrated a high level of performance Whippet racing. The CWA honors these race Whippets by granting Award of Racing Excellence (ARX) points to the top finishers at each Race Meet. Once Whippets have earned the ARX title they may continue to compete at CWA meets, but do not accumulate additional ARX points. Upon verification that the requirements have been met, a certificate is issued and the Whippet's name published in Line & Lure. To qualify for ARX points, Whippets must place in the top 50% of adult finishers, (ie. if 20 Whippets finish all four programs, Whippets must place in top ten finishers to qualify for ARX points (includes ties). To earn the CWA Award of Racing Excellence, a Whippet must earn 15 ARX points.
